Hi Donna,

I'm in the process or reassessing our staffing needs and I will try to find someone to assign to this matter.

On another note, the waiver request for Fort Detrick has been approved. I'll be sending the letter noting same in short order.

Hi Jeff- welcome to Region 3 enforcement again! Congratulations on your new post! I remember working with you on CAA cases previously. sorry to bother you on your first week- but I am working with our water folks on a CWA enforcement matter involving City of Harrisburg PA. We have a partial Consent Decree entered a few years ago and Harrisburg is working on complying but may need revisions. Nina Rivera was the staff attorney, but now Nina is our Region 3 branch chief for Water/Waste enforcement so the matter has moved to Pam Lazos. We need to engage Harrisburg in discussions about compliance with the CD. I believe we asked Bob Brook about getting an attorney assigned to assist with this matter as it is an entered Consent Decree and may require a modification. Would we be able to have an attorney assigned? We have a monthly PACE call to discuss our docket next week if you would rather wait till then. Thanks! If you want to discuss with us, either Nina or I could provide some information- but Nancy may be aware also of this history.
